

## Permission to Ride the Hillcrest Baptist Church Van

Please completed and return this form before your child may ride the church van

My child \_\_\_\_\_, over four years of age, has permission to ride the Hillcrest Baptist Church van. For my child's safety and the safety of others, I understand that my child must follow the rules and directions of the van/bus driver and adult rider and that my child could lose the privilege of riding the van/bus if these rules and directions are not followed.

When you child needs a ride you must call ahead of time. Call the church office, 417-532-6159, before 4:00 pm for Wednesday evening, or before 4:00 pm Friday for Sunday services. When the voice message answers, press 2 and then leave your message.
