Please pray for Jibi and his family. Jibi finished church planting school in May. Ask God to give him: boldness, wisdom, peace and strength to encourage and teach the other believers in his village and those

who are seeking. God bless the believers as they work together to plant seed for the farming project. May their witness be a reflection of God's love and draw many more worshipers to HIM! Pray for Diarra as he recovers from injuries he received from falling while working on a well. The grandmother of a new believer has broken her leg.
