more like.” have pressed desire, come involved in mentoring and developing relationships that further the Kingdom of God.” This class is designed for truthful, in-depth discussions, personal growth and the benefits and challenges of coming alongside others to promote the body of Christ.

NEEDS IN SENEGAL

Mary Ann has been in contact with our people in Senegal. Money has been sent to help with needs like milk for babies, soap/hand sanitizer and food for the people we work with each time we are there. There have now been confirmed cases of the Covid-19 virus in Senegal. It was already hard for them to have work and food, so if you would like to give for future needs, please designate "Senegal" on an envelope or on the memo line of your check, and it will be sent to them quickly.
