NEEDS IN SENEGAL

Mary Ann has been in contact with our people in Senegal. Money has been sent to help with needs like milk for babies, soap/hand sanitizer and food for the people we work with each time we are there. There have now been confirmed cases of the Covid 19 virus in Senegal. It was already hard for them to have work and food, so if you would like to give for future needs, please designate "Senegal" on an envelope or on the memo line of your check, and it will be sent to them quickly.

Dear Hillcrest Family:

Your church family is a blessing to this ministry and we are grateful you participated with us in our Baby Bottle Fundraiser this year. It gives us pleasure to report that you provided \$1,913.88. All bottles haven't been returned from all the churches yet, but we wanted to share our totals to date:

74 churches participating
1847 bottles dispersed
1109 bottles returned
\$28,283.95 raised

Praise the Lord! This contributes greatly toward meeting our goal of \$30,000 which is applied to utilities and other daily expenses. The Pregnancy Support Center expresses our appreciation for you partnering with us, and for you to know that your gifts are a wonderful blessing to us and our community.

Thank you!

How to get the most out of online church.

Be fully present

You'll face a lot of digital distractions once the service kicks off. Choose to stay committed & engaged. (Don't worry! Those notifications will still be there when we are finished.)

Like, Share, & Comment

One of the great benefits of online services is we can have MORE interaction. So ask questions and smash those reaction buttons. Share the service on your social feeds, and invite your friends to watch with you.

Worship, don't just watch

You can't feed your body by watching other people eat, and you can't feed your soul by watching others worship. So make this a spiritual time - sing, pray, & read the word along with us. Most importantly, listen for God's voice and respond in faith to what He says.
