**OPERATION CHRISTMAS CHILD**

April items are stuffed animals. Right now is not the time to be out shopping for items that aren't necessities, but when this is over, and you want to help the economy grow, please keep these gifts in mind as the shoebox ministry will continue, and will be more important than ever for children throughout the world.

**How to get the most out of online church.**

**Be fully present**

You'll face a lot of digital distractions once the service kicks off. Choose to stay committed & engaged. *(Don't worry! Those notifications will still be there when we are finished.)*

**Like, Share, & Comment**

One of the great benefits of online services is we can have MORE interaction. So ask questions and smash those reaction buttons. Share the service on your social feeds, and invite your friends to watch with you.

**Worship, don't just watch**

You can't feed your body by watching other people eat, and you can't feed your soul by watching others worship. So make this a spiritual time - sing, pray, & read the word along with us. Most importantly, listen for God's voice and respond in faith to what He says.
